HOW TO USE THIS GUIDE

Thank you for partnering with the Bay Area Council, Boy Scouts of America. As a volunteer, you play a critical role in helping to build character, leadership and integrity in thousands of youth members.

Because strong units start with a solid foundation, the Bay Area Council is investing in your foundation by providing the tools necessary for you to plan your unit's ideal year of Scouting.

This includes developing a plan, building membership, recruiting leaders, and fundraising so you can deliver the best program possible while maintaining the Scouting legacy.

Every great project starts with a great plan. The same goes for Scouting. By following the Ideal Year of Scouting plan, you can expect to see...

- A stronger program at less personal cost to you
- Increased parental involvement
- More Scouts camping
- Higher retention
- More funding with less time spent fundraising
- A simpler, easier and more enjoyable Scouting program

The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath & Law.

WE PROVIDE COUNCIL ASSISTANCE

If you have questions or get stuck along the way, don't worry... we've got you covered! This guide and additional online resources are available at www.bacbsa.org/unit-resources. You can also contact us at **409.744.5206** and we'll connect you with a Scouting professional who can help you achieve your Ideal Year of Scouting.

**THE GREEN BOXES IN THIS GUIDE PROVIDE
ADDITIONAL COUNCIL ASSISTANCE & RESOURCES.**

PROGRAM PLANNING & FUNDRAISING

The first step of the Ideal Year of Scouting is to develop an annual program plan. Use a budget and fundraising opportunities to implement that plan.

DOWNLOAD A YEAR OF EVENTS

The council offers a variety of camping opportunities, special events, training, and more for Scouts, adults and volunteers to help you deliver the best Scouting program possible! **Use the calendar at the end of this guide, or visit www.bacbsa.org/unit-resources.**

DEVELOPING YOUR YEARLY PROGRAM

Have a brainstorming session with key leadership and Scouting families to develop a list of program ideas for the Scouting year - usually following the same timeframe as a school year.

- **Evaluate:** Evaluate camping, events, field trips, and service project options to create an “approved” program list.
- **Vote:** Vote from that “approved” list. Have youth vote on their top three.
- **Finalize:** Put the program plan to paper. Be transparent and share your plan with all of your Scouting families.

FUNDING YOUR PROGRAM

So, you’ve got a great program plan, but how do you pay for it? Make a budget!*

STEPS FOR A SUCCESSFUL FUNDRAISER

1. Establish an annual plan using the budget planner.
2. Determine the cost of all activities, advancements, and camping events.
3. Set a fundraising goal and break it down per Scout to cover activities.
4. Put together an exciting fundraising kickoff.
5. Communicate Scouts’ sales goal. Consider a prize plan for encouragement.

A well-planned fundraiser prevents asking families for a unit fee when they join.

***To download the Unit Budget Planner, visit www.bacbsa.org/unit-resources.**

THE COUNCIL OFFERS A POPCORN FUNDRAISER

The council offers a popcorn fundraising opportunity each year in **August**. This is a great fundraiser for units to raise yearly operating funds. Scouts can reach a fundraising goal, earn their own way, and earn prizes along the way. For more information, visit www.bacbsa.org/popcorn.

PLAN YOUR IDEAL YEAR

Your unit should have an Annual Program Planning Conference (day). All leaders and interested parents should attend.

Follow these steps to build an awesome Scouting year calendar.

1. Plug in all school dates. Include closings, early release, etc.
2. Plug in all weekly unit meetings.
3. Plug in all Advancement Ceremonies (*Pack meetings should be once a month. Troop Courts of Honor should be at least once per quarter.*)
4. Plug in all District/Council events. (Cub events, Camporees, OA events, trainings, service projects, Roundtables, recruitment, etc.)
5. Plug in all unit outings/events. (Field trips, service events, Blue & Gold Banquets, derbies, etc.)
6. Plug in all deadlines such as popcorn, re-charter, event registrations, monies due.
7. Review your calendar with the Journey To Excellence (JTE) goals for your unit. Your calendar should exceed the goals. (Review JTE on the last page of this manual.)
8. Complete your Unit budget which will tell you how much money you need to raise.

BUILDING MEMBERSHIP & RECRUITMENT

BUILDING SCOUTING

The next step towards your Ideal Year of Scouting is recruitment. Recruiting new youth is essential to ensure the longevity of any unit. The Bay Area Council has had some units in operation for more than 50 years!

SCHOOL NIGHT FOR SCOUTING

School Night for Scouting is our annual recruitment drive. From **August** to **October**, nearly 2,000 new youth will join the fun of Scouting. Your unit's School Night is one of the most critical events you will plan all year.

Here are a few helpful hints to ensure your unit's recruitment night is a success:

- Plan Your Ideal Year of Scouting
- Create an annual program plan
- Tie the plan to a budget
- Communicate the plan to new Scouting families

Meeting / Program Kick-off

Have a Marketing Plan - Get the word out about your School Night! Utilize marketing materials like fliers, posters, yard signs and social media promotion.

Offer More Ways to Join - Give families multiple opportunities to join. Conduct a recruitment event in **August** (School Night) as well as **September** and **October**. Utilize library bulletin boards, youth sports associations and more.

Select Adult Leaders - School Night should be about recruiting youth, not selecting leaders. Identify your leaders before the School Night or prior to your Parent Orientation Meeting.

ASK FOR COUNCIL RECRUITMENT RESOURCES

Membership and recruitment resources are provided by the council such as fliers, yards signs, the BAC Membership Guide, the New Parent Guide and more at www.bacbsa.org/recruitment.

CAMPING & ADVANCEMENT

A major component of the Ideal Year of Scouting is program. Exciting programs are why youth join and stay in Scouting! It's our job as leaders to make sure adventure is at every turn.

SCOUT CAMPING

Camping is an integral part of the Scout program. Whether it's a weekend overnight or a week-long camp, Scouts who go camping stay in Scouting longer. It should be the goal of every unit to participate in at least five outdoor activities each year.

ADVANCEMENT

Recognition is important to Scouts! The advancement plan gives Scouts a sense of personal achievement as they earn badges, and strengthens family understanding as adult family members work with Scouts on advancement projects. Advancement also keeps Cubs in Scouting longer. Aim for at least 75% of Cub Scouts advancing in rank each year.

SCOUTBOOK FOR ADVANCEMENT RECORDING

Harness technology and track advancements at www.scoutbook.com, a complimentary app provided by National BSA that allow unit leaders & parents to track a Scout's progress.

FIND COUNCIL CAMPING EVENTS

CUB-O-REES - Cub-O-Rees introduce Scouts to camping with a theme where they are introduced to Scout games, shooting sports, swimming and more. It typically runs through a weekend in **March** and **April**, and gets Scouts ready for longer camps.

CUB CAMP - Cub Camp is open to all Cub Scouts and will offer an unforgettable outdoor program within your district and typically runs 4-5 days a week in the evenings **June** and **July**.

SUMMER, FALL & WINTER CAMP - These week-long camps for Scouts BSA members focus on Merit Badges tailored to help your Scout advance through the ranks and earn their Eagle Rank - the highest honor a Scout can earn.

For more, visit www.bacbsa.org, click Activities. Choose your Scouting Program.

CAMP KARANKAWA - YOUR HOME AWAY FROM HOME

The Bay Area Council's Camp Karankawa has 450 acres of beautiful Texas wilderness located just West of West Columbia, Texas, in Sweeny. In the last few years, a lot has happened at camp. We have completed a new dining hall and kitchen facility with air conditioning, restored staff cabins that had not been in use for years, upgraded the Olympic-size pool and pool bathhouses, rebuilt seating at the outdoor chapel, and many more projects. Camp Karankawa also has a horse corral, archery, rifle, and shotgun ranges, a nature center, restroom and shower facilities, a lake, campsites with fire rings, and a Trading Post for snacks and drinks during camping events.

Scouts and their families have the opportunity to **RENT CAMP** and build lasting memories, make life-long friends, and learn valuable life skills all while enjoying the great outdoors at Camp Karankawa.

GET EXCLUSIVE CAMP OPEN TO BAY AREA COUNCIL SCOUTS

As a unit in the Bay Area Council, your camp is for rent at a reduced cost throughout the year for \$35 per weekend with an unlimited number of Scouts. The fee helps cover the cost of camp maintenance, upkeep and utilities. You can also rent canoes, the shooting ranges, and the pool (if it is open.)*

**Some amenities require units to provide trained Lifeguards and Rangemasters.*

JOURNEY TO EXCELLENCE

The Ideal Year of Scouting follows the Boy Scouts of America's Journey to Excellence (JTE) recognition program. Think of JTE as your scorecard for Scouting success.

The JTE scorecard is available online and will help you identify, quantify, track and report key factors such as camping, service hours, youth retention, and more, to make the program you deliver even better for your Scouts!

JTE Scorecards are also available every year in your Rech (yearly membership renewal) packets that are handed out at District Roundtables during **November**.
