

# Fall Camp Experience 2022

Track <i>(Track programs are subject to change without notice.)</i>	Merit Badges	Restrictions
<b>CAMP K CONSTRUCTION</b>		
Are you handy with tools or want to learn to be? Then the Camp K Construction Team is the place for you. Scouts that work with this fine organization will get to experience in painting, plumbing, home repairs, and other important skills needed to get the job done.	Electricity Home Repairs Painting Plumbing	Scouts 14 & up.
<b>CAMP K OIL &amp; GAS COMPANY</b>		
Camp K has struck oil. We need Scouts to help run the Camp K Oil & Gas Company. This comprehensive four-day event will teach Scouts about American Business, Engineering, Exploration, Geology, Surveying, and other important topics related to running the company. Help the CEO find a place to put an oil well, survey it out, and build the well to get the black gold pumping.	American Business Exploration Engineering Geology Surveying	
<b>CAMP K RANCH</b>		
Saddle up and hit the Camp K Ranch! Out at the ranch Scouts will have some exciting experiences. They will ride horses, rope, work on farm equipment, shoot rifles, and even do blacksmithing. They will have a good ol' fashion cowboy BBQ dinner where they can play horseshoes and have a roping competition. Learn to be a cowboy or cowgirl and have a good ole time out at the Camp K Ranch.	Animal Science Horsemanship Farm Mechanics Metalworking Shotgun	
<b>CAMP K ZOO</b>		
The Camp K Zoo needs trained zookeepers and veterinarians to learn all about the animals. Scouts will learn what it takes to be a Veterinarian and all things animals with Mammal Studies, Reptiles and Amphibian studies, Bird Studies and Animal Science. Come and learn all the fun and exciting animal knowledge needed to make Camp K Zoo a great place.	Animal Science Bird Study Mammal Study Reptile/Am. Study Vet. Medicine	*Bring \$30 for Field Trip to Crocodile Encounters. *BRING FIELD TRIP FORM!
<b>GALLERY 574 ART</b>		
With all the excitement at Camp K during Fall Camp we can't forget the fine arts. Do you have an artist inside you screaming to come out? Well put your mind and hands to work, with sculpting, pottery, art and wood carving. Once your art projects are complete display your work in the Camp K Art Gallery during fall camp for all of camp to see.	Art, Pottery Sculpting Wood Carving	Must have Totin' Chit.
<b>KARANKAWA HERALD</b>		
There will be so many exciting things going on at Camp K during the Fall Camp Experience. Someone has to be the one to cover all the news and happenings. This could be you as a part of the Camp K news team. Scouts will practice the fine arts of communication, journalism, movie making, and photography. All of these things will be used while putting together the daily Camp K newspaper. Keep the rest of the other campers and stuff up to date on everything going on around camp.	Communication Journalism Movie Making Photography	
<b>KARANKAWA SCOUT ACADEMY</b>		
Are you new to Scouting? Do want to get a good jump on those first few ranks such as Scout, Tenderfoot and Second Class? This track is just for you - a course designed for the new Scout that just crossed over and is still finding their way. This track is Scouts BSA basic training. A fun action packed adventure where you learn all about Scouting, its history and basic Scout skills.	First Aid Scouting Heritage	This track is a new Scout program.
<b>KARANKAWA STATION SPACE ACADEMY</b>		

<p>Karankawa Station is the premier training grounds for the Space Force top level scientist. Sign up today to learn to be part of the critical science exploration team based out of the Karankawa Station. This team uses a variety of scientific methods to accomplish their mission, ranging from robots to chemistry and a few in between. If you are STEM minded and ready to hit the stars, join our command staff today and get the mission done.</p>	<p>Chemistry Composite Mat. Nuclear Science Robotics</p>	<p>None</p>
<p><b>OUTDOORSMAN</b></p>		
<p>Do you love outdoor activities? If the answer is yes then the outdoorsman adventure is for you. Practice your aim in the Archery range. Pitch your tent for camping and build a campfire to practice your camp cooking skills. Scouts will also learn all about fishing and even get to put what you learn to practice with a rod and reel. Enjoy a true outdoor experience as a Camp K Outdoorsman.</p>	<p>Archery Camping Cooking Fishing Geocaching</p>	
<p><b>SCOUT EMERGENCY RESPONSE TEAM</b></p>		
<p>Emergencies can happen anywhere and at any time. Will you be ready? The Camp K Scout Emergency Response Team is looking for a few good Scouts to attend the SERT Academy. In the academy, Scouts will learn the fundamentals of saving the lives and helping people when it matters most. They will learn the essential knowledge necessary to mitigate an emergency situation and help in the best way possible. These skills will all be learned in Emergency Preparedness, First Aid, Fire Safety, Safety, and Search and Rescue. Once the team has all this knowledge, it will be put to the test in working an emergency training scenario. In this scenario the team will work with local first responders to practice and hone in on all the skills they have learned.</p>	<p>Emergency Prep. Fire Safety First Aid     Safety Search &amp; Rescue</p>	<p>Great track for younger new Scouts.</p>
<p><b>SCOUTS OF THE FRONTIER</b></p>		
<p>The Frontier adventure will take Scouts back to a simpler time where they will learn some old skills. Scouts will learn to work with their hands in various projects with activities like basketry, leather working, metal working , and wood carving. Their knot tying skills will be tested in pioneering when they lash together their building project. Their compass and map skills will be used and tested in orienteering. Get ready to go on an adventure of the old wild frontier of Camp Karankawa.</p>	<p>Basketry Indian Lore Leatherworking Metalworking Orienteering Pioneering Wood Carving</p>	<p>This is intense track that requires self motivation and strong drive to complete it.</p>
