

Geocaching Hunt – Coastal District Eagle Projects

With more than 5,000 Eagle Scout service projects completed in the Bay Area Council, Boy Scouts of America, chances are good that you walk, bike, or drive past one every day without even knowing it.

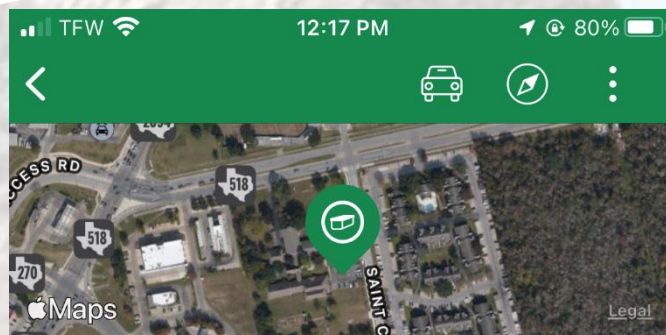

Wanting to bring more attention to these awesome Scout projects, Julie Fox, Scouts BSA Troop 609, created an Eagle Scout geocaching trail that showcases three projects in the Coastal District of the Bay Area Council.
